

A photograph of a stone archway entrance to a school. The archway is made of light-colored stone blocks and is flanked by two large potted plants with vibrant pink flowers. The entrance leads to a paved walkway that continues through a series of arches. The text "Come join our school for life!" is overlaid in white, bold, sans-serif font across the lower half of the image.

**My school for life**

Marymount Cuernavaca has formed children and young men and women for more than six decades using an educational model that seeks to generate life to the fullest through learning experiences. In our community, we promote a life full of faith, hope, wisdom, happiness, freedom, peace, justice, integrity commitment, reconciliation, compassion and service with love to our peers. The life vision that sustains our philosophy is based upon teachings from the Catholic Church and the principles of our congregation of the Religious of the Sacred Heart of Mary (RSHM). A fundamental part of this mission is to create unity through diversity so THAT ALL MAY HAVE LIFE AND HAVE IT TO THE FULLEST.
